YOU!**

Marine Hills is excited to offer your children the opportunity to participate in one of the nation's fastest growing sports for both boys and girls.

Water polo is a team sport available to children between the ages of 8 and 18. If you are not familiar with water polo, think of soccer in the water...well almost. Mix the best elements of soccer, basketball and hockey...then just add water! It allows for the development of individual skills while retaining the elements of teamwork, camaraderie, and sportsmanship.

For more information on our team and how your children can participate please visit the web site at
